WEATHER OF CONCERN

NORTHERN CALIFORNIA

- There is a slight chance of a thunderstorm over far northeastern Trinity County this afternoon and evening.
- Temperatures in the Valley will range from the 90s to 100s today.

SOUTHERN CALIFORNIA

- An extended period of hot weather will affect inland areas of southwestern California today through Sunday. High temperatures will range from 80's to 100's in the mountains and foothills. Inland valleys will be the warmest with highs in the 90's to mid 100's.
- Excessive Heat Warning for portions Chiriaco Summit, Imperial Valley and Western Imperial County including the city of El Centro until Monday evening. High heat risk with overnight lows in the mid 80s and afternoon temperatures 107 to 118.
- Excessive Heat Warning remains in effect for the Coachella Valley and San Diego County Deserts through Monday evening. High temperatures of 112 to 116 with overnight lows in the 80s.
- High temperatures combined with low humidities, and locally gusty winds will bring an extended period of elevated fire weather concerns through Monday.

WEATHER KEY POINTS

07/14/19 - 07/20/19

Sunday

- Dry and breezy afternoon conditions will create slightly elevated fire weather concerns for portions of Inland and Southern Regions
- Areas of increased risk for heat impacts for inland valleys across Southern Region, southern deserts, and the southern coastal mountain ranges and adjacent foothills (away from the coast)
 - Widespread heat risk level 2 - Moderate Risk for those who are sensitive to heat, especially those without effective cooling and/or adequate hydration
 - Localized areas of heat risk level 3 - High Risk for much of the population, especially those who are heat sensitive and those without effective cooling and/or adequate hydration
 - Temperatures
 - Inland valleys across Southern Region – High temperatures in the upper 90s to around 103. Low temperatures in the mid 60s to mid 70s.
 - Southern Deserts – High temperatures 104 to 118. Low temperatures in the upper 70s to 80s.
 - Southern Coastal Mountain Ranges and Adjacent Foothills (away from the coast) – High temperatures in the upper 90s to around 103. Low temperatures in the upper 60s to mid 70s.

Monday-Saturday

- Dry and breezy afternoon conditions will create slightly elevated fire weather concerns for portions of Southern and Inland Regions
- Areas of increased risk for heat impacts for the southern deserts
 - Widespread heat risk level 2 - Moderate Risk for those who are sensitive to heat, especially those without effective cooling and/or adequate hydration
 - Localized areas of heat risk level 3, primarily on Monday - High Risk for much of the population, especially those who are heat sensitive and those without effective cooling and/or adequate hydration
 - High temperatures 100 to 112. Low temperatures in the upper 70s to mid 80s.

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- **2019-LAW-3594, 07/12/19, 1319 hours:** received an email from CSWC advising they received notification form IERCC of a SPOT device activation in Inyo County. Coordinates provided were 37.332730 / -118.201280. The device owner's daughter reported the owner and his wife planned to camp through the weekend. 1327 hours., called Inyo County SO dispatch and provided activation information. They dispatched patrol units to the area to perform a welfare check. 1451 hours, received call from IERCC advising they were able to make contact with device owner via cell phone and he advised he couldn't find his wife. 1455 hours, spoke with Inyo County SO dispatch and they were able to make contact with the device owner by cell phone. They indicated he was distraught, telling them that he was unable to locate his wife and was concerned she was kidnapped or fell in a hole. Dispatch advised patrol units were attempting to locate the device owner. 1609 hours, Inyo County SO located the device owner, who was in good condition. They were searching the area for his wife. SAR was aware of the incident and monitoring should a response be required. **UPDATE: 07/13/19, 0010 hours:** received email from CSWC requesting to contact Inyo County regarding a search for the female in this mission. 0028 hours, contacted Inyo County SO and they advised they completed a hasty search for the female subject and was unable to locate her. They requested one helicopter and Type I or Type II ground searchers from Mono and Kern Counties. They believed their in-county SAR resources would be adequate with resources from those two counties. They stated they would reach out to Mono personally, as they have a good working relationship and would notify me of available searchers. They requested all resources respond to the ICP, located at 700 Airport Rd. in Bishop, CA, on 07/13/19 at 0700 hours. 0046 hours., contacted Kern County and advised of Inyo's request. They were going to check availability and confirm. 0244 hours, AFRCC confirmed helicopter mission was approved. NAS Lemoore Navy helicopter would be on-scene at 0700 hours. 0501 hours, Kern County confirming (2) Type 1 ground searchers for today's search. They were going to be working on assembling more searchers should the search expand to 07/14/19. **1401 hours, received a call from Inyo County SO advising they had been unable to locate the female. They requested an additional 20 Type 1 ground searchers and 2 trailing dogs. 1800 hours, received email from State K9 Coordinator confirming 2 trailing K9s and 2 area K9s for 07/14/19 mission. 1810 hours, received a call from AFRCC advising the Lemoore helicopter completed its mission and was released. UPDATE: 07/14/19, 0630 hours: 26 Type-1 ground searchers, 2 Trailing K9 teams and 2 Area K9 teams confirmed for 07/14/19 mission. MISSION ONGOING**
- **2019-LAW-3372, 07/09/19, 0900 hours:** Cal Expo Police requested a Cal OES law enforcement mission number for mutual aid tracking. The CA State Fair is July 12-28, 2019. Multiple local and state law enforcement agencies will contribute officers for law enforcement operations. Region 4 Law A/C coordinating mission. **MISSION ONGOING**
- **2019-LAW-3368, 07/09/19, 0900 hours:** Cal Expo Police Department requesting TACCOM support to patch VHF, UHF, and 800 MHZ bands to the Cal Expo Police Dispatch channel for law enforcement operations during the State Fair. Cal OES Region 4 Law A/C is coordinating with Cal Expo and TACCOM to support law enforcement communications for the duration of the CA State Fair. Comm25 assigned. TACCOM Region 4 A/C coordinating TACCOM resources. **MISSION ONGOING**

Cal OES LAW ENFORCEMENT MISSIONS

Closed Cal OES Law Missions

- **2019-LAW-3632, 07/13/19, 1154 hours:** received email from CSWC regarding an InReach activation in Yosemite NP, Mariposa County. It documented the device owner reported having broken ankle at the base of Tenaya Peak. No coordinates were provided. 1157 hours, contacted IERCC and confirmed information provided to CSWC. They provided LDO coordinates of 37.805200 / -119.473164. 1159 hours, contacted Yosemite NP and confirmed they received device activation information. They notified the Rangers and they were planning a response to locate device owner. 1348 hours, Park Rangers were out with the device owner and determined he did not have a broken ankle. Subject was airlifted to the Yosemite NP helipad, where he was reunited with his friends. Subject refused medical treatment (AMA).

MISSION CLOSED
